Real Dry Waterproofing Earns Esteemed 2014 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Real Dry Waterproofing has earned the service industry's coveted **Angie's List Super Service Award**, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2014.

*"What can we say? Three in a Row! We have to admit – we're a little bit proud of ourselves. An **Angie's List Super Service Award** three years running is difficult to fathom, so I think we're also a bit speechless at the moment. It was a lot of hard work, but we couldn't have done it without all the **Angie's List** members who gave positive feedback to our company over the past year. So, thank you to **Angie's List**, our satisfied customers, and to everyone who rated us so highly."*

Real Dry Waterproofing

"Only about 5 percent of the waterproofing companies in the greater Springfield area have performed consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2014 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.

###

Angie's List helps facilitate happy transactions between nearly 3 million consumers nationwide and its collection of highly-rated service providers in 720 categories of service, ranging from home improvement to health care. Built on a foundation of authentic reviews of local service, Angie's List connects consumers directly to its online marketplace of services from member-reviewed providers, and offers unique tools and support designed to improve the local service experience for both consumers and service professionals.
